What is a Deportation Safety Plan?

In this guide, you will find everything you need to be prepared in case you are detained or put into deportation proceedings, including a plan to ensure the safety of your children, property, or other assets.

This guide has been adapted from several different sources, as a way to best serve our community.

KNOW YOUR RIGHTS

What to do if ICE tries to pick you up or knocks on your door

1 **If ICE is at your door**
DO NOT open the door. Do not engage with agents. Call your emergency contact and record and take pictures.

2 **If you encounter ICE agents**
Demand to see a warrant. If ICE agents force their way into your home take down their names, agent number, and license plate numbers of their vehicle.

3 **Remain Silent**

- You have the the right to remain silent **except for your name and Date of Birth**
- Remain Calm and show your “Know Your Rights” card

4 **Do NOT Sign**
Do not sign any documents until you talk with a lawyer

5 **If detained**
Don't sign any documents without legal counsel. You have the **right to make a call**. Memorize important phone numbers and memorize important **ID numbers!**

★ **Prepare an Emergency Plan**
Carefully choose responsible adults to take care of your children and help during an emergency. Keep important documents safe and secure.

Call the Family Support Hotline!

Toll-free hotline offers help to Illinois families facing deportation.

1-855-435-7693

www.icirr.org/fsn

The hotline is staffed in English, Spanish, Polish, Arabic, and Korean

YOU ARE NOT ALONE

Get help from a **lawyer** or someone with the **Department of Justice (DOJ)**.

Never get immigration help from a “Notario” a traveler agent, a tax preparer, forms preparer, or notary. In the U.S., a “notario” is **NOT a lawyer!**

& REFUGEE RIGHTS**

WHAT TO DO IF ICE COMES TO YOUR DOOR

DO NOT OPEN DOORS

ICE cannot come in without a signed warrant by a criminal court judge. They can only come in if you let them.

REMAIN SILENT

ICE can use anything you say against you in your immigration case so claim your right to remain silent!

Say "I plead the fifth amendment and choose to remain silent"

DO NOT SIGN

Don't sign anything ICE gives you without talking to an attorney.

REPORT & RECORD

Report immediately **FSN hotline (855) 435-7693**

Take pictures and video unless you're on federal government property.

Take notes of badge numbers, number of agents, time, type of car and exactly what happened!

FIGHT BACK

Get a trustworthy attorney and explore all options to fight your case. If detained, you may not be able to get bail- don't give up hope!

WHAT TO DO IF YOU ARE DETAINED

IF ARRESTED, MEMORIZE YOUR ID NUMBERS:

This includes your 9-digit A-Number, Jail ID # etc. This will help your attorney and family locate you easily. Usually, these numbers will be written on a wristband.

- All the detention centers will allow you to make a phone call; the cost of the call will be charged to the person who answers the call or the person who is making the call in the detention center.

ASK TO SPEAK TO AN ATTORNEY

You have the right to an attorney. Disclose your immigration status ONLY to your attorney. This includes a public defender.

WHAT NOT TO DO:

- **DON'T LIE:** Tell law enforcement agents you want to remain silent. **DON'T** give explanations, excuses, or stories.
- Do not claim to be a US Citizen if you are not!
- **DON'T SIGN:** any document that you don't understand.
- **DON'T DISCUSS:** your citizenship or immigration status with anyone other than your lawyer.
- Don't share your legal status with your cellmates.

DIFFERENCES BETWEEN AGENCIES

Immigration and Customs Enforcement (ICE): ICE is an agency of the U.S. Department of Homeland Security (DHS), primarily responsible for enforcing federal immigration and customs laws. Its powers include investigating, apprehending, arresting, detaining, and removing undocumented immigrants within the United States.

Transportation and Security Administration (TSA): TSA is an agency of the U.S. Department of Homeland Security that has authority over the security of the traveling public in the United States.

Chicago Police Department (CPD): The Chicago Police Department focuses on the safety of community residents.

Note:

- Be on the lookout, there are law enforcements agencies that might identify themselves as police officers or might be wearing attire with the word POLICE written on it.
- Do not share information that you see on social networks about raids many times the information is false and it causes panic in the community. Find out what is happening before sharing any information that might affect others negatively.

PLAN IN CASE OF DEPORTATION

1. Create a safety plan in case of detention or deportation.
 2. Update your children's school and clinic about any emergency contacts
 3. Make sure everyone in your family knows what to do if you are detained and where all important documents are.
-

This plan is to help guide your family, your children, and their emergency guardian in the event that you are detained by ICE.

Example:

Step 1:

Have my emergency contact/family member pick up kids from school and explain to them that I was detained.

Step 2:

Contact my lawyer.

Step 3:

Inform the school that I was detained and that my emergency contact/family member will be in charge of the kids.

Step 4:

Seek counseling for the kids if they are misbehaving or depressed.
