

"I will not be silenced;
I have been forced into
silence and shame for
far too long. I cannot
believe where I am now.
Thank you, KAN-WIN.
I cannot believe that a
small group of people
can do such
unbelievable things."

- ANONYMOUS SURVIVOR

KAN-WIN is a domestic violence and sexual assault services agency that provides culturally sensitive and linguistically accessible services to Asian American and Asian immigrant survivors of gender-based violence.

What is Domestic Violence?

Domestic violence is a pattern of abusive behavior in any relationship that is used by one person to gain or maintain power and control over another intimate partner or family member. Abusive behavior can be physical, emotional, verbal, or sexual.

What is Sexual Assault?

Sexual assault occurs anytime a person is forced, coerced, and/or manipulated into any unwanted sexual contact, attempted or completed, without consent.
